01 Classic pocket

Front: 3 x 3 in | Tabs: 0.5 in | US-Letter

Print at Actual size / 100%. Turn off Fit to page.

Solid outline = cut. Dashed lines = fold. Pale tabs fold behind the front.

1. Cut around the solid outline; keep every pale tab.
2. Score the dashed lines lightly, then fold all tabs behind the front.
3. Apply glue to the BACK-FACING side of the folded tabs only.
4. Press the tabs onto a journal page. Keep the opening free of glue.
5. Let the glue dry fully. Slide in a smaller paper tag or card.

The top stays open. Inside clearance will be slightly smaller than the front.

1 inch

Scale check: this square must measure 1 x 1 inch (25.4 mm).

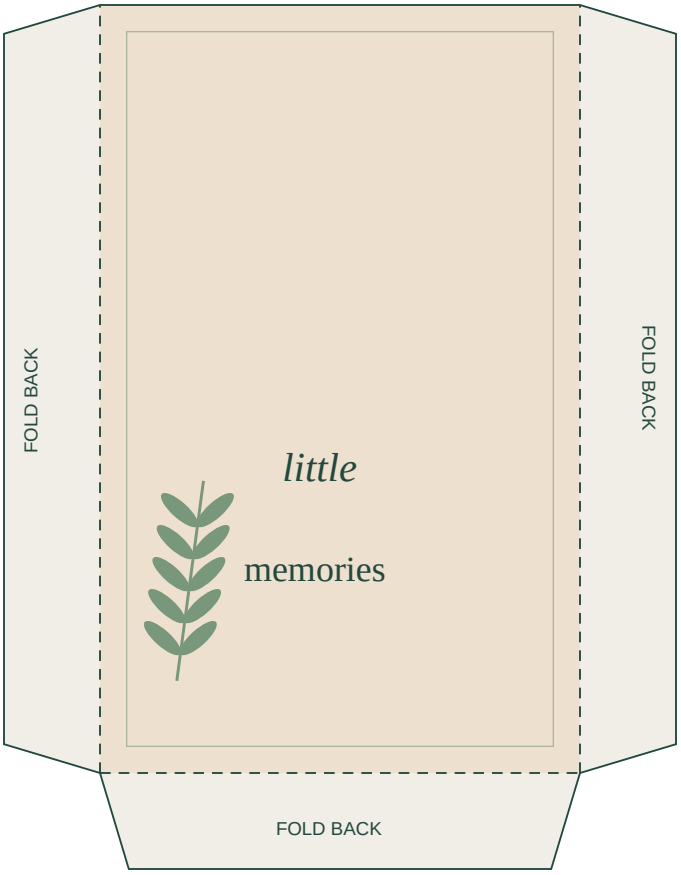

Make a plain-paper test before cutting special paper.

02 Tall tag pocket

Front: 2.5 x 4 in | Tabs: 0.5 in | US-Letter

Print at Actual size / 100%. Turn off Fit to page.

Solid outline = cut. Dashed lines = fold. Pale tabs fold behind the front.

1. Cut around the solid outline; keep every pale tab.
2. Score the dashed lines lightly, then fold all tabs behind the front.
3. Apply glue to the BACK-FACING side of the folded tabs only.
4. Press the tabs onto a journal page. Keep the opening free of glue.
5. Let the glue dry fully. Slide in a smaller paper tag or card.

The top stays open. Inside clearance will be slightly smaller than the front.
