Draw a snowman in seven steps

Stack two light circles, wrap a scarf around the join, then add winter details.

1 Stack two light circles

2 Wrap the scarf

3 Add the scarf tail

4 Draw the face

5 Set a cap on top

6 Add arms and buttons

7 Shade the snow

Make the scarf wrap

Curve both ends upward and erase the snowball join inside the scarf band.

Trace, then draw

Trace the pale snowman. Draw it again from two light circles in the space beside it.

DRAW YOUR OWN SNOWMAN

5 cm print check

Print at 100% or Actual Size.

Measure the line between the two ticks.

Try two winter sketches

Draw the same snowman at two sizes, then choose a spot for it on a card or journal page.

Tiny snowman

Point the carrot outward and use one button.

Snowman pair

Overlap the lower circles and tilt one cap.

Where will your drawing go?

Pick a journal corner or the front of a folded card. Leave room for a date or short greeting.
